

REMARKS

Claims 1 and 7 have been amended to change "gifts of predetermined size and maximum weight" to "gifts of predetermined size and no more than a maximum weight." This clarifies what was already clear from the specification and some of the dependent claims. Since, for example, some of the cases could hold one CD and some cases that are the same size could hold two CDs, it is clear that one CD would weigh less than two.

Claims 13 - 39 are new. Claims 13 - 24 are similar to Claims 1 - 12, but replacing "gifts" with "items." This is supported by the specification in numerous places which refer to gift items, items being the less restrictive term. The title has also been amended accordingly. Claims 25 - 36 are similar to Claims 1 - 12, but replacing "gifts" with "disks in cases," terms used extensively throughout the specification. Finally, Claims 37 - 39 have been added as specific boxes themselves.

It is believed that all of the claims are now in condition for allowance and an early indication of allowance is earnestly solicited.

Applicant is a small business entity. The total number of claims is now 39, for an excess of 19 at \$9 for a total of \$171, and the total number of independent claims is now 7, for an excess of 4 at \$43 for a total of \$172. A check in the amount of \$343 is enclosed. Please charge any additional fees which may be required or credit any over payment to Deposit Account No. 20-1123.
